WESTMINSTER CULTURAL COUNCIL SEEKS FUNDING PROPOSALS

The Westminster Cultural Council seeks funding proposals for community-oriented arts, humanities, and science programs. Funds can be used for a variety of projects and activities in Westminster -- including exhibits, festivals, short-term artist residencies, workshops, lectures or performances.

This year the Council will distribute approximately \$7,500 in grants. Previously funded projects include music events at the Community Senior Center; cultural programs in town schools and through the Parks and Recreation Program; entertainment at the Farmers' Market; and the Great Decisions Seminars at Forbush Memorial Library.

The Westminster Cultural Council is part of a network of 329 Local Cultural Councils serving Massachusetts. The WCC is funded by a grant from the Massachusetts Cultural Council as well as an allocation from the town. .
